Beyond the Halls of Holton Home

On Tuesday March 8th, once again Holton Home will be venturing down to the beautiful Botanical Gardens at Smith College. This is one of my favorite activities of all time and despite this relatively mild winter, I know it will be most welcome for our residents. We will drive down through the usual muddy-gray brown of early March, hoping for blue skies and hopefully peering out the van windows for fattening tree buds, eager for the littlest signs of spring.

When we walk through the doors to the greenhouse we are welcomed with a rainbow of colors, the green of leaves and life and the perfume of dreams fulfilled! As one resident whispered on entering the show a few years ago, “heavenly” and it is indeed! Join us! We are met by the daughter of one of our residents, and she joins us for tea or coffee and a little treat afterward. It is beyond heavenly; do come with us, and if you can’t go your selves, it runs from the 4th to the 20th and it will make you smile!
